Dear Friend:

***“As our family continues to grow, we strive to improve the quality of life of seniors and adults with physical disabilities living in Nepean, Kanata, Goulbourn and West Carleton.”***  
*Message from Cathy Jordan, Executive Director, Western Ottawa Community Resource Centre*

It is that time of year where you may be wondering which charitable organization deserves a financial contribution. Why should the Western Ottawa Community Resource Centre receive support from you when there are hundreds of other worthy causes out there?

We currently have over **200** dedicated volunteers who have logged over **15,000** hours to deliver services to over **1,600** clients in the past year. Our staff members coordinate volunteers to provide transportation to medical appointments or the grocery store, deliver meals and visit with isolated individuals, just to name a few examples. Expenses are maintained at a minimum level to clients who receive help at home, personal care or foot care services.

***“Having no family of my own, the Community Support Program relieves my sister and her family from taking care of my home.”*** – client of the Home Help Program

***“The Diners’ Club reduces my family’s worries about me. I have met many lovely people and I believe it has saved many lonely beings.”*** – client of the Congregate Dining Program

Seniors and adults with physical disabilities receiving our services rely on us to live independently in their own home. We are here to lend a helping hand and carry out every day activities that many of us take for granted. The extent to which we can respond to client needs is largely dependent on the financial support we receive through government funding, and more importantly, through generous community members like you. Our senior population is growing rapidly and so are the requests for services. Your investment goes directly to the services we provide.

***“Without the transportation services, people like me would be forced to use taxis at a cost most of us cannot afford. Kudos to the volunteer drivers, they are exceptional people who give of their time.”*** – client of the Transportation Program

We understand and appreciate that everyone contributes in different ways and at different times of the year. **If you have donated recently, please consider this letter a thank you for your continued support.** If however, you have not, and wish to make a donation to the Western Ottawa Community Resource Centre and our seniors programs, please detach the reply card below to make your contribution. Our agency will provide you with a charitable tax receipt.

**Thank you for your very kind donation and with your help we will continue to be there to help seniors and adults with physical disabilities in our community and their families.**

Yours truly,  

Cathy Jordan,  
 Executive Director  
 Western Ottawa Community Resource Centre
